The Chair welcomed Ashifa Manji, the new Associate Registrar, and Brenda Walton to the meeting. Brenda introduced Ashifa as the manager responsible for Records/Information Systems in the Registrar's Office.

The Chair congratulated Kim Longmuir for her graduation October 4, 2001 at SFU. Kim received her Master's Degree in Education (Administration and Leadership).

The Chair also congratulated Ryan Wray who was recently accepted into the training program of the Vancouver Police and would be leaving Douglas College and Education Council.

Unfortunately both Ryan and Kim were unable to attend the meeting.

2. APPROVAL OF THE AGENDA The Agenda was approved as presented.

requirement in certain program areas where learners often bring to the program related prior learning. Representatives of other instructional Faculties were reluctant to approve a policy revision which they did not feel served the best interests of their areas.

Further discussion ensued on the following:

what will a Douglas College credential mean if it is acquired through 75% transfer credit, 75% PLAR or a combination of both?
could there not be different standards for different credentials?
how will the College be positioned in relation to other institutions in the future?

D. Wilson suggested adding “and at least twenty courses” after “a minimum of 60 credits” under the heading of “Associate Degree”. It was agreed to defer consideration of this suggestion until a later time.

MOVED BY J. Lindsay, SECONDED by G. Street,

BE IT AND IT WAS RESOLVED:

THAT Education Council approve the *Credentials* policy as submitted.

The Motion was CARRIED.

One abstention was noted for the record.

The Chair thanked Jan Lindsay and the Committee for their work.

This policy will take effect immediately.

- 4.3 Policy review: Curriculum Development and Approval (CDA): The Chair advised members that, as a result of a suggestion made at the Standing Committee Terms of Reference review meeting last spring, policies scheduled for review will now be sent out to FECs/DECs and other constituent groups for feedback.

ACTION **The Chair asked members to take the policy and Course Control Sheet to their constituents to solicit feedback. She asked members to forward suggestions for revision, including, wherever possible, specific language changes, to the Secretary by January 18, 2002.**

The Chair noted that the Policy Committee and the Curriculum Committee will

jointly review the CDA policy and the feedback received and provide Council with a revised draft in the spring.

- 4.4 Curriculum Committee Recommendations: R. Chapman advised members that the Committee reviewed fourteen curriculum guidelines. In response to a question, he added the revisions were straight forward, reflected updated terminology, and adhered to College policies.

There was unanimous consent to short-cycle the Motion to approve the submitted curriculum guidelines.

MOVED by G. Street, SECONDED by S. Tyakoff,

BE IT AND IT WAS RESOLVED:

THAT Education Council approve the submitted curriculum guidelines for PNUR 700, PNUR 702, PNUR 704, PNUR 705, PNUR 707, PNUR 708, PNUR 710, PNUR 720, PNUR 730, ACCT 220, CISY 210, CISY 495, OADM 203 and OADM 303.

The Motion was CARRIED.

- 4.5 Admissions and Language Competency Standards Committee Recommendations: On behalf of the faculty of Language, Literature & Performing Arts, J. Allwork noted the ongoing problem of inconsistency between language competency entrance requirements and English or Communication course requirements within these and other like programs. She noted that the Terms of Reference of the Admissions and Language Competency Standards Committee specify that language competency entrance requirements should be “consistent with program/course content” and that this consistency is required so that students are not misled as to their ability to register in required courses within programs to which they are admitted.

Brenda Walton noted that students are advised that a grade of “C” in English 12 is not a sufficient pre-requisite for registration in English or Communications courses. She added that students are advised that they may be required to take a writing assessment test.

It was agreed that Council members would discuss this issue with their areas and with their Admissions and Language Competency Standards Committee

consistent with all other Fall semesters.)

ACTION Please take the Academic Calendar to your constituent groups for feedback at December's meeting.

- 5.3 Memorandum of Agreement: Douglas College and the University of Phoenix: Discussion ensued as to whether the proposal is in fact an affiliation agreement as defined by the recently approved *Affiliations* policy. She noted that the policy does not specify articulation agreements as affiliations and that articulation is separately specified in the Act as subject to joint Board and Education Council approval.

The following discussion ensued:

- should articulation agreements with institutions that are outside the BC Transfer guide be covered by the *Affiliations* policy?
- can "articulation" be more clearly defined?

It was suggested that Janet Allwork, Geraldine Street, Al Atkinson and John McKendry meet and bring forward to a subsequent Council meeting a suggestion for addressing articulation agreements within the *Educational Affiliations* policy.

ACTION Please take the Memorandum of Agreement to your constituent groups for review of course transfer details. Please forward any feedback to your Dean who will forward it to the Vice President - Instruction.

6. REPORTS

6.1 Report from the Chair

The Chair advised members that the instructions for the Instructor Course Outline Template are in the package for information. She added if members required assistance with accessing the Template to contact the Secretary (5520).

The Chair asked members to remind faculty in their areas that day classes are cancelled on February 13th, 2002 for the College-wide PD day. The Chair highlighted information item 7.3 from the package, and asked members who were willing to take part in the making of a video tape for the PD day to contact Yvonne Mostert.

The Chair reminded members to ensure discussions take place at their FECs/DECs regarding on-line learning (memo from the October package).

The Chair highlighted the document in the package regarding Standing

Committee Memberships, noting that Carly Turner has agreed to move to the Educational Policies Committee. She added the membership for the Research Ethics Board will be updated. The Chair clarified that there is no need now for the Residency Credit Exemption Committee. A revised membership list will be forwarded to Council members shortly.

The Chair advised members that the Chairs of Education Councils were invited, on short notice, to meet with the Honourable Shirley Bond to discuss the tuition fee freeze. She added that the Minister was interested in the educational impact of the freeze on institutions. The Chair advised members that it was difficult for most Chairs to comment on behalf of their Councils as Council membership includes representation from faculty, staff, students and administrators. She added that there were no consistent comments from the Chairs except the need for more money to encourage curriculum and program development and to support and develop student services.

6.2 Report from the President

The President encouraged members to review her report which was sent out via GroupWise last week.

The President reported that she has been involved extensively in discussions with other Presidents and Ministry officials regarding the Core Services Review, the New Era document and their effects on education and health care. The President speculated that the Ministry may make a few major announcements prior to the December break.

The President advised members that the College will probably not receive its budget from the Ministry before April. She added that SMT will be considering budget issues over the next several months. She added that, as per past practice, the draft budget will go to the College community for feedback.
