

New Course:

Department: Student Services and Developmental Education

Revision of Course  
Information Form: X 6 Oct. 93.

Program:

C: FASL 375

D: Research and Essay Writing

Subject & Course No.

Descriptive Title

Semester Credit

Author Description:

This course is the third level in the sequence of English courses... This course is designed for students who wish to gain a reasonable control of grammar and sentence structure... In addition to improving composing, editing, revising, and proofreading skills, students will develop short five-paragraph essays. In this context, students will be introduced to social research skills such as identifying and using source material.
